Edition No. 3

**Working to build your club by assisting players, coaches and officials to gain valuable skills, experience and knowledge can be a very rewarding experience. In some cases monetary assistance can be available to your members via SCHOLARSHIP OPPORTUNITIES!**

There are a number of different sporting bodies you can refer to when seeking access to sport funding and educational opportunities. The South Australian Office of Recreation and Sport (ORS) have made this job far easier by providing an easy to navigate web-site with details of different resources available and their purpose. There are also people ready to take your telephone call and (ORS) have a staff member based in Port Lincoln who can also help too!

There are currently three Coaching and Officiating Scholarships 2007-2008 available with a closure date of Friday 13th April - so you'll have to get cracking! These are the **Wendy Ey Memorial Coaching Scholarships for Women** (\*established to encourage & assist female coaches to achieve success in their chosen sport), **Coaching Scholarships** (\*aim to assist volunteer coaches to further develop skills in either chosen area by providing funds for accreditation and educational opportunities) and **Officiating Scholarships** (\*to assist volunteer officials to further develop skills in their chosen area by providing funds for accreditation and educational opportunities).

If you would like to find out more about the ORS Coaching and Officiating Scholarships refer to their website [www.recsport.sa.gov.au](http://www.recsport.sa.gov.au) call ORS direct 08 8416 6677 or contact Mark Fisher, Active Communities Project Officer (ORS) at the City of Port Lincoln by phoning 08 8683 1411 or email [sportrec@plcc.sa.gov.au](mailto:sportrec@plcc.sa.gov.au)
