Welcome to the very first edition of 'What's on @ Ravendale!' our weekly newsletter designed to keep everyone up to date with what's happening, what's being planned and which teams are up to what type of mischief at Ravendale with reports from the turf, oval, fields, courts, tables and floors!

Our first edition has been compiled with great haste and therefore is missing a few important details so please bear with us while we are in construction mode.

The newsletter will no doubt 'evolve' over the coming weeks and months whilst we fine tune it. But to do so, we need your help!

Our first priority is to establish a Contact List so that our players, potential new players, spectators, sponsors and volunteers have a quick and easy reference guide for all sports.

We hope the people nominated for the Contact List will also happily nominate themselves for the marketing of their club!

Please email us as soon as you can so that we can be in regular contact with you. With your help 'What's on @ Ravendale' will be able to promote your club matches, report on games, include photographs of your team members in action and advise of any changes to your training programs in addition to advertising your events, sponsorship and volunteering opportunities, etc, etc.

We hope that in the future, 'What's on @ Ravendale' will become a tool to provide you with an insight into the diverse range of activities and events which many of our sporting bodies based here are involved in.

We also plan to provide you with as much inside information as possible on all things sporting and that includes grant opportunities, player profiles from our undercover Roving Reporter, My Hero, Sponsors Soliloquy, The Umpires Call, information on health, nutrition and the latest sporting equipment, attire and training information from local contributors on a rolling basis!

So if your club has matches and events you would like to promote, ask your club representative to contact us asap! Just email the details and your most convenient telephone number to Nicole Carter tenimate@gmail.com or Greg Williams greg@lcc.com.au

And all the very best from the What's on @ Ravendale team....

Port Lincoln Hockey Association

Seeing stars on the Hockey Pitch!

Orders have been placed for the remaining light towers on the hockey pitch so we will see night games during season 2007 not to mention a mid-week veteran's competition and more flexible training times.

It is expected the poles and lights will arrive by the end of May with construction works to take place in May and June. We'll be looking for volunteers to help keep the costs down and financial contributions are always welcome!

So if you work Saturdays you will still be able to get your weekly hockey fix, and our older players will have the opportunity to chase other older players around the hockey pitch mid-week without trying to keep up with the young whippersnappers.

Volunteer Coordinator Needed!

Would you like to assist the Port Lincoln Hockey Association by volunteering your skills and talents to coordinate other volunteers (breath required here...) needed for canteen/kitchen duty and any other events needing volunteers? If so - we need you!

Please contact Julie Chambers as soon as you possibly can, by phoning 8682 5327 or e: julieden@chariot.net.au
